**NEWS – FIRE ON BOARD GRANDE BRASILE**

Dear Madam, dear Sir,

Please note that we have been advised that the vessel Grande Brasile (RO/RO), while passing through the English Channel, from Le Havre (France) port from Antwerp (Belgium), suffered a fire on board, on February 18<sup>th</sup>.

Shipowners contracted SMIT Salvage BV under a Lloyd's Standard Form of Salvage Agreement to assist the vessel and extinguish the fire. The fire was successfully extinguished, and the vessel was taken to the port of Antwerp where she is currently safely moored alongside.

Blue Seas Adjusters has been entrusted by shipowners to collect salvage securities.

If you insure or reinsure cargo on board and need assistance managing salvage and/or potential general average claims, feel free to contact us.
