NEWS – FIRE ON BOARD DELPHINE RO/RO

Dear Madam, dear Sir,

Please note that we have been advised that the vessel Delphine (ro/ro) suffered a fire on board on April 16th, 2025, while berthed at Zeebrugge, Belgium, following a voyage from UK.

Fire started on deck n°3, where about 100 electrical vehicles are. About 70 vehicles have been affected on first estimate. More vehicles may have been affected by smoke/ashes and/or extinguishing water.

General Average is not declared for the time being, as far as we know. Zeebrugge port remains free of navigation restrictions and there is no pollution noticed.

If you insure or reinsure cargo on board and need assistance managing potential salvage and/or general average claims, feel free to contact us.
